Dear Current and Future Bobcats,

On behalf of the staff of Bobcat Virtual Learning, it is my pleasure to welcome you as you consider joining our BVL family.

I have spent the past sixteen years as an educator in Grand Blanc Community Schools, and one of the things I am most proud of is my work in the creation and development of Bobcat Virtual Learning. I believe strongly in the mission of Grand Blanc Community Schools that each student be able to actualize his or her unique genius, freely and without fear, and I feel confident that BVL is a key to providing access to this goal for all of our students.

In Bobcat Virtual Learning, we recognize that all students are different, and a typical face-to-face setting may not be appropriate for everyone. We provide a rigorous education and strive to challenge each student to grow into his or her academic and social potential through our virtual platform. Our staff works hard to make sure that our virtual students feel welcomed, connected, and engaged. In partnership with our families at home, we strive to build positive relationships that support student growth.

I am honored to serve as the director of Bobcat Virtual Learning, and it is truly a privilege to be a part of this community. Please feel free to contact me at 810.591.6649 or at [awalroth@gbcs.org](mailto:awalroth@gbcs.org).

We're going to make it a great year in Bobcat Virtual Learning, and I hope you will join us!

Sincerely,
