REFRIGERATE ALL MILK AS SOON AS POSSIBLE

Refrigerate leftovers immediately or throw them away.

- SHELF STABLE - Consume within 30 days, do not heat or refrigerate.
- Store in the refrigerator between 36° - 41° for best quality and freshness
- Keep Frozen, Thaw and Eat / Drink - no cooking required
- Keep Frozen, Heat on stove, in the Microwave or in the oven using a heat safe dish to internal temperature of 165°

www.gbcs.org Look for the food service page!

Keep Food Safe!

- Properly reheat food
Reheat to internal temperature of 165°F
- Keep cold foods cold
at 40°F or lower
- Refrigerate leftovers
immediately or throw them away

Wash your hands before you eat!

Using clean, running water and soap scrub your hands for at least 20 seconds. Need a timer? Hum the "Happy Birthday" song from beginning to end twice.

If you have food allergies be sure to check ingredients and speak to a manager.

Each school meal offers 8oz of milk. This provides the needed nutrition for a child's growing mind and body!
