October 6, 2020

Hello GB Community:

As you may have heard, the MHSAA expanded the crowd sizes allowed at both indoor and outdoor school athletic events beginning October 9th. For example, this guidance will allow for up to 1000 spectators to attend a football game. We are excited that this will allow for the additional support and participation of our marching band, cheer, and pom teams and their families.

Per the MHSAA rules, the tickets must be divided up so that both home and opponent teams get half of the tickets, leaving our participants with 500 tickets for a game. Therefore, we will still need to maintain an approx. two-ticket-per-participant/player limit. The situation is similar across all of our athletic events/venues. **Tickets to all sporting events will be distributed through players and participants only.** There will be no general ticket sales to students that are not participating or to other community members until further notice. Any extra tickets left over from an opposing team will be given out through participants/players as they are available.

As a reminder, while attending an athletic event at Grand Blanc Community Schools, all spectators still must wear masks and practice social distancing. We expect that anyone who is not feeling well, has tested positive or has been exposed to a positive case of COVID-19 will refrain from attending. Our Athletic Department will continue to follow all MHSAA Guidelines. As always, the safety of our student-athletes will be our top priority.

As a reminder, bags/purses will not be allowed into any Grand Blanc High School home event.

The NFHS Network will continue to stream live games played at Frank Thomas Field, Don Batchelor Field, or in the Tartoni Athletic Center. In order to view these events, a paid monthly subscription is necessary. Further information regarding subscription costs can be found at www.nfhsnetwork.com.

We appreciate your continued cooperation and support. Go Bobcats!

Sincerely,
