Celebration of Learning

March 6th - 5:30-7:00pm

On March 6th, we will be holding our Celebration of Learning night from 5:30-7:00pm. All families will be encouraged to attend. It will run similar to an open house, so you can plan to visit any time throughout the evening. During the Celebration of Learning, your child(ren) will be able to take you through the building to see all of the great learning that has taken place throughout the school year and they can personally share their progress. Similar to student led conferences, we really think this will be a great opportunity for the students to have a more proactive role in sharing their strengths, weaknesses, and all of the wonderful growth they have had as learners.

****Conferences will be held on Tuesday evening, March 5th, and Thursday afternoon, March 7th. Teachers will reach out to families if a conference needs to be scheduled. If you would like to request a conference. Please reach out to your child's teacher.*
